Washington Scholarships for Child Care Professionals is a comprehensive scholarship program that supports early learning professionals who wish to expand and enrich their expertise in early childhood education. Our goal is to advance the early learning field by increasing educational achievement and raising compensation levels for those who care for our state's youngest children.

In order to be eligible for Early Achievers Opportunity Grant funding toward a WVC Early Childhood Education degree or certificate, students must:

- be working at an Early Achievers certified in-home daycare or childcare center 10 hours per week or 40 hours per month and
- have been working for that employer for at least three months
